WASHINGTON : 2020

THE WHITE HOUSE,
Washington, March 27, 2020.

Hon. NANCY PELOSI,
Speaker of the House of Representatives,
Washington, DC.

DEAR MADAM SPEAKER: In accordance with section 23006 of the Emergency Appropriations for Coronavirus Health Response and Agency Operations (division B of H.R. 748, the CARES Act; the “Act”), I hereby designate as emergency requirements all funding so designated by the Congress in the Act pursuant to section 251(b)(2)(A) of the Balanced Budget and Emergency Deficit Control Act of 1985, as outlined in the enclosed list of accounts.

The details of this action are set forth in the enclosed memorandum from the Acting Director of the Office of Management and Budget.

Sincerely,

DONALD J. TRUMP.

EXECUTIVE OFFICE OF THE PRESIDENT
OFFICE OF MANAGEMENT AND BUDGET
WASHINGTON, D.C. 20503

March 27, 2020

MEMORANDUM FOR THE PRESIDENT

FROM: Russell T. Vought
Acting Director

SUBJECT: Designation of Funding as an Emergency Requirement

The Congress designated as an emergency requirement all funding in the Emergency Appropriations for Coronavirus Health Response and Agency Operations (division B of H.R. 748, the CARES Act; the "Act"). Section 23006 of the Act provides that the availability of funding that is designated by the Congress as an emergency requirement pursuant to section 251(b)(2)(A) of the Balanced Budget and Emergency Deficit Control Act of 1985 (BBEDCA) is contingent upon the President subsequently so designating all such amounts and transmitting such designations to the Congress.

The Act provides a net total of \$340 billion in fiscal year (FY) 2020 emergency funding to prevent, prepare for, and respond to coronavirus.

I recommend that you designate as emergency requirements all funding so designated by the Congress in the Act pursuant to section 251(b)(2)(A) of BBEDCA, as outlined in the enclosed list of accounts. Upon transmittal of these designations to the Congress, these funds will be immediately available for obligation and expenditure. No further congressional action will be required.

The designation of these funds as emergency requirements allows for adjustments to the discretionary spending limits in FY 2020, as specified in section 251(b)(2)(A) of BBEDCA. These adjustments will be reflected when the Office of Management and Budget submits its sequestration update report for FY 2021 in accordance with section 254(e) of BBEDCA.

I have reviewed this proposed action and am satisfied it is necessary at this time. Therefore, I recommend that you make the requested funds available by signing the enclosed letters to the Speaker of the House of Representatives and the President of the Senate.
