The rule provides that, for the purpose of inclusion in such amendments en bloc, an amendment printed in the form of a motion to strike may be modified to the form of a germane perfecting amendment to the text originally proposed to be stricken. The rule further provides that the original proponent of an amendment included in such amendments en bloc may insert a statement in the Congressional Record immediately before the disposition of the amendments en bloc.

The rule allows the Chairman of the Committee of the Whole to postpone votes during consideration of the bill and to reduce voting time to five minutes on a postponed question if the vote follows a fifteen minute vote.
