CDX ESA

This particular registration requires proof of identity and a CDX Electronic Signature Agreement. You have not provided proof of identity to the U.S. Environmental Protection Agency, so you must print, sign, and submit a signed form through U.S. Postal Mail to the U.S. Environmental Protection Agency.

Once the ESA has been signed, you will be authorized for your data flow. For any questions regarding the CDX ESA please contact the [CDX Help Desk](#).

The screenshot shows a web application interface for "MyCDX » Registration". On the left is a blue sidebar menu with links: About CDX, Recent Announcements, MyCDX, Inbox, Change Password, Submission History, Frequently Asked Questions, Help & Support, CDX Home, Terms & Conditions, and Logout. The main content area has a header with "Contact Us" and "Logged in as NATROGERS". Below the header is the "CDX ESA" section, which contains a paragraph explaining the CDX electronic signature agreement (ESA) and a link to the "CDX Help Desk". A large rectangular form box is centered on the page, containing fields for "Signature:" and "Date:", followed by the instruction "PLEASE MAIL THIS DOCUMENT AS SOON AS POSSIBLE TO:". Below this, two mailing addresses are listed: "US Mail" (U.S. Environmental Protection Agency, Fuels Programs Registration (6406J), 1200 Pennsylvania Avenue, NW, Washington, DC 20460) and "Commercial Delivery" (U.S. Environmental Protection Agency, Fuels Programs Registration, Room 647C; 202-343-9038, 1310 L Street, NW, Washington, DC 20005). At the bottom of the form box are two buttons: "SIGN PAPER FORM" and "CANCEL".

If the information you provide changes, your company/entity is responsible for resubmitting this form to update the information.

Submitting this form does not equal registration, before submission these forms must be printed and all data inputted must be present on the page. The form also must be signed by a Responsible Corporate Officer and mailed to one of the addresses below. EPA must receive and approve this form before you will be allowed to perform other tasks in this application (e.g. associating yourself with other companies or facilities, nominating new users, editing your user information, etc.).

The forms on this page are to be used for the RFG and Anti-Dumping, Diesel Sulfur, and Renewable Fuels Standard programs. Please see our Fuel and Fuel Additive Registration (FFARS) web site for FFARS registration forms.
