*Administrator for Industrial Recovery.*

WASHINGTON, D.C.,  
*September 8, 1934.*

## REPORT TO THE PRESIDENT

The PRESIDENT,

*The White House.*

SIR: The Code of Fair Competition for the Cotton Cloth Glove Manufacturing Industry approved by you on December 30, 1933, provides in Section 8 of Article VII—Trade Practices, certain terms to be used in the sale of merchandise by the manufacturer to the wholesaler, and certain terms to be used in the sale of merchandise by the manufacturer to the retailer. This Section 8 further provides that such terms may be revised upon approval of the Administrator.

Pursuant to this provision, the Code Authority for this Industry submitted proposed revised terms to be used by the manufacturer in the sale of merchandise to the retailer. The revised terms were more favorable than the ones in the Code as approved and were for the purpose of bringing the "terms to the retailer" more in line with the "terms to the wholesaler."

The Amendment after first being revised by the various Advisory Boards of the National Recovery Administration was published July 10, 1934, in a Public Notice of Hearing. The hearing was held July 24, 1934, in Room 128 of the Willard Hotel, Washington, D.C. All persons who requested were fairly heard in accordance with the rules and regulations of the National Recovery Administration.

After careful consideration of the evidence presented at the hearing, it was decided that the amendment in its form as submitted and as considered at the hearing should be approved.

The Amendment has the approval of the Industrial Advisory Board, the Labor Advisory Board, the Consumers' Advisory Board and the Legal Division of the National Recovery Administration. The Research and Planning Division has submitted a report.

The Deputy Administrator in his final report to me on said Amendment to said Code, having found as herein set forth and on the basis of all the proceedings in this matter:

I find that:

(a) The Amendment to said Code and the Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act, including the removal of obstruction to the free flow of Interstate and Foreign Commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of Industry for the purpose of cooperative action of labor and management under adequate Governmental sanction and supervision, by eliminating unfair competitive trade practices, by promoting the fullest possible utilization of the present productive capacity of Industry, by avoiding undue restriction of production (except as it may be temporarily

required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code as amended complies in all respects with the pertinent provisions of said Title of said Act, including without limitation Sub-Section (a) of Section 3, Sub-Section (a) of Section 7 and Sub-Section (b) of Section 10 thereof.

(c) The Code empowers the Code Authority to present the aforesaid amendment on behalf of the Industry as a whole.

(d) The Amendment and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(e) The Amendment and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said Amendment.

For these reasons this Amendment has been approved.

Respectfully,

HUGH S. JOHNSON,  
*Administrator.*

SEPTEMBER 8, 1934.
