## REPORT TO THE PRESIDENT

The PRESIDENT,  
*The White House.*

SIR: This is a report on a proposed amendment to the Code of Fair Competition for the Daily Newspaper Publishing Business, approved Code No. 288.

Article VI, Section 2 of the Code now provides for the designation of Code Authority members and the Chairman thereof by certain newspaper associations. It is proposed in the amendment to the Code submitted herewith to modify only the provision relating to designations by the American Newspaper Publishers' Association by striking out the following clause: "Of whom its President shall be one," and also the final sentence: "The President of the American Newspaper Publishers' Association shall be the Chairman of the Code Authority."

This modification was suggested in the first instance by the American Newspaper Publishers' Association, so that the status of Code Authority membership and Chairmanship would not be affected by changes in the Association presidency.

The amendment having been duly approved by the Code Authority was thereupon submitted to all publisher members of the Code for their consent, as required by Article VII of the Code. This referendum resulted as follows:

For the Amendment.....	594 votes
Against the Amendment.....	4 votes

A Notice of Opportunity to be Heard has been issued as of the day the Order approving the amendment was signed, and the Order approving the amendment will become effective twenty days from the date thereof unless good cause to the contrary is shown and a subsequent order issued by the Board to that effect.

The Division Administrator, in his final report on the amendment to the Code, having found as herein set forth, and on the basis of all the proceedings on this matter:

We find that:

(a) Amendment to said Code is well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act, including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of Industry for the purposes of cooperative action among trade groups, by inducing and maintaining united action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required,) by increasing the consumption of industrial and

agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code as amended complies in all respects with the pertinent provisions of said Title of said Act, including without limitation subsection (a) of Section 3, Subsection (a) of Section 7 and Subsection (b) of Section 10 thereof.

(c) The Code empowers the Code Authority to present the aforesaid amendment on behalf of the industry as a whole.

(d) The amendment and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(e) The amendment and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said amendment.

For the above reasons the amendment has been approved.

For the National Industrial Recovery Board:

W. A. HARRIMAN,  
*Administrative Officer.*
