Approved Code No. 121. Amendment No. 1

AMENDMENT TO CODE OF FAIR COMPETITION

FOR THE

HOTEL INDUSTRY

As Approved on February 26, 1934

BY

PRESIDENT ROOSEVELT

EXECUTIVE ORDER

CODE OF FAIR COMPETITION FOR THE HOTEL INDUSTRY—MODIFICATION
OF EXECUTIVE ORDER OF NOVEMBER 17, 1933

A Code of Fair Competition for the Hotel Industry having been approved by me on November 17, 1933, subject to the condition, among others, that within ninety days from the effective date thereof the Administrator should hold such further hearings upon such notice as he in his discretion should fix, for the purpose of determining the adequacy of the minimum wages established in that Code, after which his report and recommendation should be submitted to me for my further order; and

It appearing to me that the operation of said Code will be reviewed by the Administrator not later than June 1, 1934, to ascertain whether the provisions thereof have effectuated and will effectuate the policy and purpose of Title 1 of the National Industrial Recovery Act; and

It appearing to me that at this time the said Code has not been in operation for a sufficient period of time to enable me to determine the adequacy of the minimum wages established therein;

NOW, THEREFORE, I, Franklin D. Roosevelt, President of the United States, pursuant to the authority vested in me by Title 1 of the National Industrial Recovery Act, approved June 16, 1933, and otherwise, do modify my order of November 17, 1933, approving the Code of Fair Competition for the Hotel Industry by striking therefrom the conditions numbered two (2) and three (3).

FRANKLIN D. ROOSEVELT.

Modification recommended:

HUGH S. JOHNSON,
Administrator.

THE WHITE HOUSE,
February 26, 1934.

LETTER OF TRANSMITTAL

The PRESIDENT,
The White House.

SIR: This is a report upon a modification of the Executive Order approving the Code of Fair Competition for the Hotel Industry.

Tremendous difficulties have been encountered in organizing the Hotel Industry in order to effectively operate under the provisions of the Hotel Code. In many hotels the change in hours of employment was effected only after great efforts on the part of the employers.

The Code Authority has been functioning properly for a comparatively short period, and will in the near future have some constructive modifications and additions ready for presentation to the Administrator. To require a public hearing on the wage provisions of the Code at this time would react disastrously upon the efforts of the Code Authority to maintain the support of the Industry, and interfere with its work in the presentation of these proposed amendments which are designed to eliminate many features of the Code that have caused the most serious difficulties.

The Industry is just beginning to operate smoothly under the provisions of the Code and I do not believe the real effects of the Code can be gauged at this time.

Therefore, I believe that it would promote considerable confusion and achieve no favorable results if further hearings are held at this time.

Respectively,

HUGH S. JOHNSON,
Administrator.

FEBRUARY 21, 1934.
