ORDER

MODIFICATION OF CODE OF FAIR COMPETITION FOR THE MACHINERY AND ALLIED PRODUCTS INDUSTRY

WHEREAS, by Executive Order dated March 17, 1934, the Code of Fair Competition for the Machinery and Allied Products Industry was approved on condition that each of the trade associations representing the thirty-nine (39) subdivisions of the Code amend its constitution, by-laws and/or articles of incorporation or association to the satisfaction of the Administrator within thirty (30) days after the effective date of the Code; and

WHEREAS, the above-mentioned thirty (30) day period expires on April 27, 1934; and

WHEREAS, sufficient time has not elapsed to permit all the thirty-nine (39) trade associations to effect the above-mentioned amendments:

NOW, THEREFORE, on behalf of the President of the United States, I, Hugh S. Johnson, Administrator for Industrial Recovery, pursuant to authority vested in me by Executive Orders of the President, including Executive Order #6543-A, dated December 30, 1933, and Executive Order #6590-A, dated February 8, 1934, and otherwise;

DO HEREBY ORDER that an additional period of thirty (30) days from April 27, 1934, be accorded to each of the trade associations representing the thirty-nine (39) subdivisions of the Code for the Machinery and Allied Products Industry to amend its constitution, by-laws and/or articles of incorporation or association to my satisfaction;

And I DO FURTHER ORDER that each of my orders heretofore signed approving a Supplemental Code of Fair Competition

for a subdivision of the Machinery and Allied Products Industry on condition that the constitution, by-laws and/or articles of incorporation or association of the trade association representing the subdivision be amended to my satisfaction within the time limited by the Executive Order first above mentioned, be and it hereby is amended by extending the time within which such amendments need be made an additional period of thirty (30) days from April 27, 1934.

HUGH S. JOHNSON,
Administrator for Industrial Recovery.

Approval recommended:

A. R. GLANCY,
Division Administrator.

WASHINGTON, D.C.,
April 26, 1934.

REPORT TO THE PRESIDENT

The PRESIDENT,
The White House.

SIR: The Code for the Machinery and Allied Products Industry was approved by you on March 17, 1934, on condition that each of the thirty-nine (39) trade associations representing thirty-nine (39) subdivisions of the Code amend its constitution, by-laws and/or articles of incorporation or association to the satisfaction of the Administrator within thirty (30) days after the effective date of the Code.

This thirty (30) day period expires April 27, 1934, and sufficient time has not elapsed to permit all of the thirty-nine (39) trade associations to effect the required approval of these amendments. The sponsoring association, Machinery and Allied Products Institute, has made application for a thirty (30) day extension of this condition of approval.

Some of the Supplemental Codes approved for subdivisions of this Industry contain in the order of approval a condition that the constitution, by-laws and/or articles of incorporation or association be amended to the satisfaction of the Administration within the time limit set forth in the condition of the order of approval of the Code for the Machinery and Allied Products Industry.

The Deputy Administrator in his report to me on this matter, having found that reasonable diligence has been exerted by applicant association to effect said amendments, and that the first thirty (30) day period was not sufficient to effect the required approval of the amendments, has recommended that an additional thirty (30) day period be granted for this purpose.

For these reasons, therefore, I have approved the application for a thirty (30) day extension of time in which each of the trade associations representing the said thirty-nine (39) subdivisions of the Machinery and Allied Products Industry shall amend its constitution, by-laws and/or articles of incorporation or association.

Respectfully,

HUGH S. JOHNSON,
Administrator.
