NATIONAL INDUSTRIAL RECOVERY BOARD,
By G. A. LYNCH, *Administrative Officer.*

Approval recommended:

ROBERT L. HOUSTON,
Division Administrator.

WASHINGTON, D. C.,
October 3, 1934.

REPORT TO THE PRESIDENT

The PRESIDENT,
The White House.

SIR: This is a report on an amendment to the Code of Fair Competition for the Retail Farm Equipment Trade which empowers the National Industrial Recovery Board to appoint not to exceed seven additional members of the Trade, preference being given to members of the Trade in the Southern States, who are non-members of the constituent associations of the Federation, each member to have equal vote. These additional members, so appointed, are to serve on the Code Authority together with the other members elected in accordance with the provisions of the Code.

This amendment is proposed as a modification of Article IV, paragraph (b), and is amendment number two to the Code. An opportunity to be heard has been accorded all interested parties.

The Deputy Administrator in his final report to us on said amendment to said Code having found as herein set forth and on the basis of all the proceedings in this matter;

We find that:

(a) The amendment to said code and the Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code as amended complies in all respects with the pertinent provisions of said Title of said Act, including without limitation subsection (a) of Section 3, subsection (a) of Section 7 and subsection (b) of Section 10 thereof.

(c) The Code empowers the Code Authority to present the aforesaid amendment on behalf of the Trade as a whole.

(d) The amendment and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(e) The amendment and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said amendment.

For these reasons we have approved this amendment.

NATIONAL INDUSTRIAL RECOVERY BOARD,
By G. A. LYNCH, *Administrative Officer*.

OCTOBER 3, 1934.

The National Recovery Administration shall appoint not to exceed seven additional members of the Trade, who are non-members of the constituent associations of the Federation, each member to have equal vote, preference being given to members of the Trade in the Southern States.
