NATIONAL INDUSTRIAL RECOVERY BOARD,
By W. A. HARRIMAN, *Administrative Officer*.

Acting Division Administrator.

WASHINGTON, D. C.,
April 8, 1935.

REPORT TO THE PRESIDENT

The PRESIDENT,

The White House.

SIR: An amendment to the Code of Fair Competition for the Corset and Brassiere Industry approved August 14, 1933, was proposed by the Code Authority for this Industry. A Notice of Opportunity to be Heard on the proposed amendment was published March 12, 1935. One objection was received and was duly considered.

Article 9, Section (t), of the Code provides that all garments manufactured or distributed shall bear N. R. A. labels. This Section also sets forth certain regulations concerning the issuance and use of such labels. The amendment proposed is a sentence to be added to the first paragraph of this Section, and provides that the charge for labels by the Code Authority shall, at all times, be subject to the approval of the National Industrial Recovery Board.

The Deputy Administrator in his final report to this Board on said amendment to said Code having found as herein set forth and on the basis of all proceedings in this matter:

The National Industrial Recovery Board finds that:

(a) The amendment to said Code and the Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code as amended complies in all respects with the pertinent provisions of said Title of said Act, including without limitation Subsection (a) of Section 3, Subsection (a) of Section 7, and Subsection (b) of Section 10 thereof.

(c) The Code empowers the Code Authority to present the aforesaid amendment on behalf of the Industry as a whole.

(d) The amendment and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(e) The amendment and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said amendment.

For these reasons, this amendment has been approved.

For the National Industrial Recovery Board:

W. A. HARRIMAN,
Administrative Officer.

APRIL 8, 1935.
