## REPORT TO THE PRESIDENT

The PRESIDENT,

*The White House.*

SIR: An application has been duly made pursuant to and in full compliance with the provisions of the National Industrial Recovery Act for an amendment of Article VI of the Code of Fair Competition for the Collapsible Tube Industry, by the Code Authority.

In order that the Code Authority for the Collapsible Tube Industry may establish legal obligation making payment of approved Code Authority assessments for Code Administration mandatory, and that if such assessments are not paid within a reasonable time it may institute legal proceedings therefor, this Industry has submitted and respectfully requested approval of an amendment whereby these purposes may be accomplished.

The Assistant Deputy Administrator in his final report to me on said amendment to said Code having found as herein set forth and on the basis of all the proceedings in this matter:

I find that:

(a) The amendment to said Code and the Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act, including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action among trade groups, by inducing and maintaining united action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code as amended complies in all respects with the pertinent provisions of said Title of said Act, including without limitation Subsection (a) of Section 3, Subsection (a) of Section 7 and Subsection (b) of Section 10 thereof.

(c) The Collapsible Tube Manufacturers Association was and is a trade association truly representative of the aforesaid Industry and that said association imposed and imposes no inequitable restrictions on admission to membership therein and has applied for or consents to this amendment.

(d) The amendment and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(e) The amendment and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said amendment.

For these reasons, therefore, I have approved this amendment to become effective fifteen (15) days from the date of the Order unless good cause to the contrary is shown to me before that time and I issue a subsequent order to that effect.

Respectfully,

HUGH S. JOHNSON,  
*Administrator.*

AUGUST 29, 1934.

Delete present Paragraph (d) Section 1 of Article VI, and substitute therefor the following:

(d) 1. It being found necessary in order to support the administration of this Code and to maintain the standards of fair competition established hereunder and to effectuate the policy of the Act, the Code Authority is authorized:

(b) To submit to the Administrator for his approval, subject to such notice and opportunity to be heard as he may deem necessary (1) an itemized budget of its estimated expenses for the foregoing purposes, and (2) an equitable basis upon which the funds necessary to support such budget shall be contributed by members of the Industry;

(c) After such budget and basis of contribution have been approved by the Administrator, to determine and obtain equitable contribution as above set forth by all members of the industry, and to that end, if necessary, to institute legal proceedings therefor in its own name.

2. 3. The Code Authority shall neither incur nor pay any obligation substantially in excess of the amount thereof as estimated in its approved budget, and shall in no event exceed the total amount contained in the approved budget, except upon approval of the Administrator; and no subsequent budget shall contain any deficiency item for expenditures in excess of prior budget estimates except those which the Administrator shall have so approved.
