REPORT TO THE PRESIDENT

The PRESIDENT,
The White House.

SIR: This is a report on an amendment to the Code of Fair Competition for the Industrial Supplies and Machinery Distributors' Trade. This amendment was proposed in accordance with Article VIII, Section 8 of the Code, approved October 28, 1933, and Notice of Opportunity to be Heard was given March 11, to April 1, 1935.

This amendment to the Child Labor Provisions of the Industrial Supplies and Machinery Distributors' Trade Code is the standard clause on hazardous occupations and is in accordance with the accepted policy of the National Recovery Administration. It provides that the Code Authority shall submit to the National Industrial Recovery Board a list of such operations or occupations within thirty days after the approval of this amendment.

FINDINGS

The Deputy Administrator in his final report to the National Industrial Recovery Board on said amendment to said Code having found as herein set forth and on the basis of all the proceedings in this matter:

It finds that:

(a) The amendment to said Code and the Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code as amended complies in all respects with the pertinent provision of said title of said act, including without limitation subsection (a) of section 3, subsection (a) of section 7 and subsection (b) of section 10 thereof.

(c) The amendment and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(d) The amendment and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(e) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said amendment.

For these reasons, this amendment has been approved.

For the National Industrial Recovery Board:

W. A. HARRIMAN,
Administrative Officer.
