NATIONAL INDUSTRIAL RECOVERY BOARD,
By W. A. HARRIMAN, *Administrative Officer*.

Approval recommended:

JOSEPH F. BATTLE,

Division Administrator.

WASHINGTON, D. C.,

January 31, 1935.

REPORT TO THE PRESIDENT

The PRESIDENT,
The White House.

SIR: This is a report on an Amendment to the Code of Fair Competition for the Hardwood Distillation Industry, which was approved November 10, 1933.

The Amendment provides for the extension of the open price filing system from January 31, 1935, to June 15, 1935, and applies only to methanol (methyl alcohol). This Amendment is designed to extend in the Code for the Hardwood Distillation Industry certain fair trade provisions parallel with similar provisions in the Code of Fair Competition for the Industrial Alcohol Industry.

A Notice of Opportunity to be Heard on the said Amendment was published January 10, 1935, and expired January 30, 1935, in accordance with the provisions of the National Industrial Recovery Act. No objections or criticisms have been received.

FINDINGS

The Deputy Administrator in his final report on said Amendment found as herein set forth, and on the basis of all the proceedings in this matter;

The Board finds that:

(a) The Amendment to said Code and the Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code as amended complies in all respects with the pertinent provisions of said title of said act, including without limitation subsection (a) of Section 3, subsection (a) of Section 7 and subsection (b) of Section 10 thereof.

(c) The Code empowers the Code Authority to present the afore-said Amendment on behalf of the Industry as a whole.

(d) The Amendment and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(e) The Amendment and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said Amendment.

Therefore, said Amendment has been approved.

For the National Industrial Recovery Board:

W. A. HARRIMAN,
Administrative Officer.

JANUARY 31, 1935.
