NATIONAL INDUSTRIAL RECOVERY BOARD,
By W. A. HARRIMAN, *Administrative Officer.*

Approval recommended:

BARTON W. MURRAY,
Division Administrator.

WASHINGTON, D. C.
December 12, 1934.

REPORT TO THE PRESIDENT

The PRESIDENT,
The White House.

SIR: This is a report on an amendment to the Code of Fair Competition for the Commercial Refrigerator Industry. A public hearing was held thereon in Washington, D. C. on May 15, 1934, in accordance with the provisions of the National Industrial Recovery Act.

The purpose of the amendment is to promote fair competition by prohibiting indirect violations of the Code.

The Assistant Deputy Administrator in his final report to the National Industrial Recovery Board on the said amendment to said Code having found as herein set forth, and on the basis of all the proceedings in this matter:

It is found that:

(a) The amendment to said Code and the Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code as amended complies in all respects with the pertinent provisions of said Title of said Act, including without limitation subsection (a) of Section 3, subsection (a) of Section 7 and subsection (b) of Section 10 thereof.

(c) The amendment and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(d) The amendment and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(e) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said amendment.

For these reasons, therefore, this amendment has been approved.
For the National Industrial Recovery Board:

W. A. HARRIMAN,
Administrative Officer.

DECEMBER 12, 1934.

AMENDMENT TO CODE OF FAIR COMPETITION FOR THE COMMERCIAL REFRIGERATOR INDUSTRY

PURPOSE

Pursuant to Article VI, Section 10 (h) of the Code of Fair Competition for the Commercial Refrigerator Industry, duly approved by the President on December 23, 1933, and further to effectuate the policies of Title I of the National Industrial Recovery Act, the following amendment is established as a part of said Code of Fair Competition and shall be binding upon every member of the Commercial Refrigerator Industry.

AMENDMENT No. 9

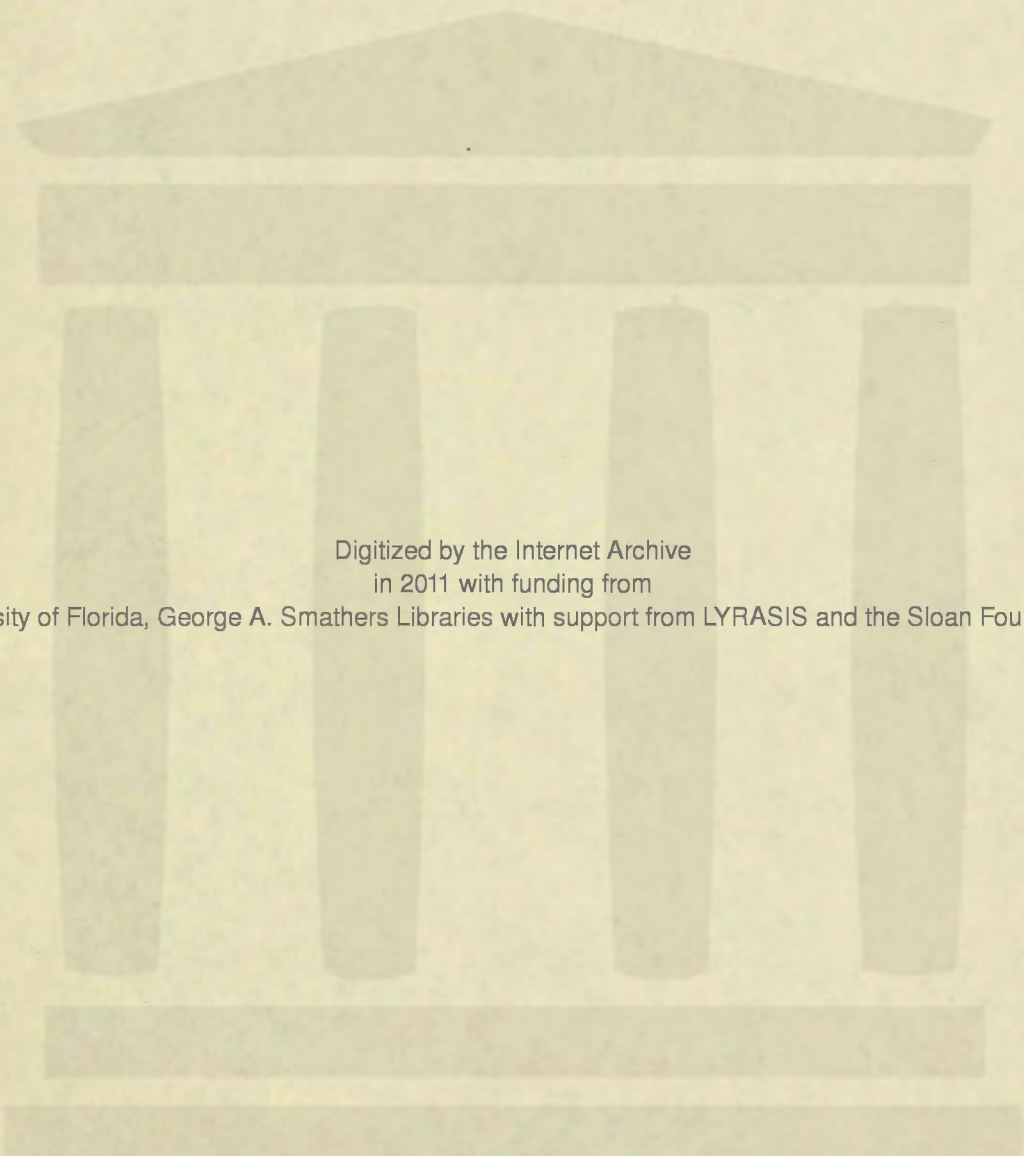

Add to Article VII the following Rule 18:

Rule 18. No member of the industry shall sell to or through any distributor, dealer, jobber, agent, representative or other type of distribution outlet, that does not agree to comply with the provisions of this Article VII and Article VIII of this Code. Approval by the President or his authorized agent of a Code for such distributors, which would prohibit such distributors from entering into such agreement, would terminate the operation of this Rule.

Approved Code No. 181—Amendment No. 2.
Registry No. 1328-02.
