An application having been duly made pursuant to and in full compliance with the provisions of Title I of the National Industrial Recovery Act, approved June 16, 1933, for approval of modification to the Code of Fair Competition for the Fur Dressing and Fur Dyeing Industry, and opportunity to be heard having been afforded all members of said industry, and the annexed report on said modifications, containing findings with respect thereto, having been made and directed to the President:

HUGH S. JOHNSON,

Division Administrator.

WASHINGTON, D.C.,
August 3, 1934.

REPORT TO THE PRESIDENT

The PRESIDENT,
The White House.

SIR: This is a report on the modification to the Code of Fair Competition for the Fur Dressing and Fur Dying Industry, which has been submitted in accordance with Executive Order No. 6678.

This modification enables the Code Authority to incur such reasonable obligations as are necessary to support the administration of the code and to maintain the standards of fair competition established by this code. It also enables the Code Authority to submit an itemized budget, and an equitable basis upon which the funds necessary to support such budget shall be contributed by the members of the industry. Such contributions are made mandatory by this modification.

The Deputy Administrator in his final report to me on said modification of said code having found as herein set forth and on the basis of all proceedings in this matter:

I find that:

(a) The modification of said code and the code as modified are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The code as modified complies in all respects with the pertinent provision of said Title of said Act, including without limitation sub-section (a) of Section 3, sub-section (a) of Section 7 and sub-section (b) of Section 10 thereof.

(c) The Code empowers the Code Authority to present the aforesaid modification on behalf of the Industry as a whole.

(d) The modification and the code as modified are not designed to and will not permit monopolies or monopolistic practices.

(e) The modification and the code as modified are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said modification.

For these reasons this modification has been approved.

Respectfully,

HUGH S. JOHNSON,
Administrator.

AUGUST 3, 1934.

MODIFICATION TO CODE OF FAIR COMPETITION FOR THE FUR DRESSING AND FUR DYEING INDUSTRY

The following shall be substituted for Sub-section (b) of Section 8, Article VI, of the Code of Fair Competition for the Fur Dressing and Fur Dyeing Industry.

1. It being found necessary in order to support the administration of this code and to maintain the standards of fair competition established hereunder and to effectuate the policy of the Act, the Code Authority is authorized:

(a) To incur such reasonable obligations as are necessary and proper for the foregoing purposes, and to meet such obligations out of funds which may be raised as hereinafter provided and which shall be held in trust for the purposes of the Code;

(b) To submit to the Administrator for his approval, subject to such notice and opportunity to be heard as he may deem necessary (1) an itemized budget of its estimated expenses for the foregoing purposes, and (2) an equitable basis upon which the funds necessary to support such budget shall be contributed by members of the industry;

(c) After such budget and basis of contribution have been approved by the Administrator, to determine and obtain equitable contribution as above set forth by all members of the industry, and to that end, if necessary, to institute legal proceedings therefor in its own name.

2. Each member of the industry shall pay his or its equitable contribution to the expense of the maintenance of the Code Authority determined as hereinabove provided, and subject to rules and regulations pertaining thereto issued by the Administrator. Only members of the industry complying with the code and contributing to the expense of its administration as hereinabove provided (unless duly excepted from making such contribution) shall be entitled to participate in the selection of the members of the Code Authority Board, or to receive the benefits of its activities or to make use of any registry number or emblem or insignia of the National Recovery Administration issued pursuant to the provisions of this code. Such registry number, emblem or insignia of the National Recovery Administration may be withheld, removed or revoked only in accordance with the rules and regulations promulgated from time to time by the Administrator.

3. The Code Authority shall neither incur nor pay any obligation substantially in excess of the amount thereof as estimated in its approved budget; and shall in no event exceed the total amount contained in the approved budget except upon approval of the Adminis-

trator; and no subsequent budget shall contain any deficiency item for expenditures in excess of prior budget estimates except those which the Administrator shall have so approved.
