Mr. BURGESS, from the Committee on Rules, submitted the following

REPORT

[To accompany H. Res. 793]

The Committee on Rules, having had under consideration House Resolution 793, by a record vote of 8 to 1, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 1270, the Restoring Access to Medication Act of 2015, under a closed rule. The resolution provides one hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on Ways and Means. The resolution waives all points of order against consideration of the bill. The resolution provides that an amendment in the nature of a substitute consisting of the text of Rules Committee Print 114–60 shall be considered as adopted and the bill, as amended, shall be considered as read. The resolution waives all points of order against provisions in the bill, as amended. The resolution provides one motion to recommit with or without instructions.

EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of the bill includes a waiver of the following:

- Section 303 of the Congressional Budget Act, prohibiting consideration of legislation providing a change in revenues for a fiscal year until the budget resolution for that year has been agreed to; and
- Section 311 of the Congressional Budget Act of 1974, prohibiting consideration of legislation that would cause revenues

to be less than the level of total revenues for the first fiscal year or for the total of that first fiscal year and the ensuing fiscal years for which allocations are provided.

Although the resolution waives all points of order against provisions in the bill, as amended, the Committee is not aware of any points of order. The waiver is prophylactic in nature.
