SEC. 2. INDIVIDUALS ELIGIBLE FOR INDIAN HEALTH SERVICE ASSISTANCE NOT DISQUALIFIED FROM HEALTH SAVINGS ACCOUNTS.

(a) IN GENERAL.—Section 223(c)(1) of the Internal Revenue Code of 1986 is amended by adding at the end the following new subparagraph:

“(D) SPECIAL RULE FOR INDIVIDUALS ELIGIBLE FOR ASSISTANCE UNDER INDIAN HEALTH SERVICE PROGRAMS.—For purposes of subparagraph (A)(ii), an individual shall not be treated as covered under a health plan described in such subparagraph merely because the individual receives hospital care or medical services under a medical care program of the Indian Health Service or of a tribal organization.”.

(b) EFFECTIVE DATE.—The amendment made by this section shall apply to taxable years beginning after December 31, 2016.

I. SUMMARY AND BACKGROUND

A. PURPOSE AND SUMMARY

The bill, H.R. 5452, as reported by the Committee on Ways and Means, amends the Internal Revenue Code of 1986 to permit individuals eligible for Indian Health Service (IHS) assistance to qualify for health savings accounts.

B. BACKGROUND AND NEED FOR LEGISLATION

An individual with a high deductible health plan and no other health plan (other than a plan that provides certain permitted insurance or permitted coverage) is generally eligible to make deductible contributions to a health savings account (HSA), subject to certain limits. Currently, an individual who is generally an eligible individual for purposes of making HSA contributions becomes ineligible for a period of time merely because of receiving hospital care or medical services under a medical care program of the IHS or of a tribal organization.

According to a 2015 census conducted by America’s Health Insurance Plans (AHIP), as of January 2015, 19.7 million people were covered by an HDHP/HSA, a 2.3 million-person increase from 2014 levels. HDHPs/HSAs are an increasingly popular option for workers—only 4 percent of workers were enrolled in such coverage in 2005 compared to 24 percent in 2015. The current law practice could dissuade tribal members from participation in an HSA-eligible plan and should be reversed.

C. LEGISLATIVE HISTORY

Background

H.R. 5452 was introduced on June 10, 2016, and was referred to the Committee on Ways and Means.

Committee action

The Committee on Ways and Means marked up H.R. 5452, the Native American Health Savings Improvement Act, on June 15,

2016, and ordered the bill, as amended, favorably reported (with a quorum being present).

Committee hearings

The issues surrounding the use of HSAs were discussed at a Ways and Means Member Day Hearing during the 114th Congress on May 17, 2016, as well as a Ways and Means Committee Hearing on the Tax Treatment of Health Care on April 14, 2016.

II. EXPLANATION OF THE BILL

A. INDIVIDUALS ELIGIBLE FOR INDIAN HEALTH SERVICE ASSISTANCE (SEC. 2 OF THE BILL AND SEC. 223 OF THE CODE)

PRESENT LAW

An individual with a high deductible health plan and no other health plan (other than a plan that provides certain permitted insurance or permitted coverage) is generally eligible to make deductible contributions to a health savings account (“HSA”), subject to certain limits (an “eligible individual”).¹ HSA contributions made on behalf of an eligible individual by an employer are excludible from income and wages for employment tax purposes. Eligibility for HSA contributions is generally determined monthly, based on the individual’s status and health plan coverage as of the first day of the month.

An individual with other coverage in addition to a high deductible health plan is still eligible to make HSA contributions if such other coverage is permitted insurance or permitted coverage. Permitted insurance is: (1) insurance if substantially all of the coverage provided under such insurance relates to (a) liabilities incurred under worker’s compensation law, (b) tort liabilities, (c) liabilities relating to ownership or use of property (*e.g.*, auto insurance), or (d) such other similar liabilities as the Secretary of the Treasury may prescribe by regulations; (2) insurance for a specified disease or illness; and (3) insurance that provides a fixed payment per day (or other period) for hospitalization. Permitted coverage is coverage (whether provided through insurance or otherwise) for accidents, disability, dental care, vision care, or long-term care. Coverage under certain health flexible spending arrangements or health reimbursement arrangements is also permitted.

Under IRS guidance, an individual who is eligible to receive medical services at an Indian Health Service (“IHS”) facility, but who has not actually received such services during the previous three months, is an eligible individual for purposes of making contributions to an HSA.² However, an individual generally is not an eligible individual if the individual has received medical services at an IHS facility at any time during the previous three months.

REASONS FOR CHANGE

The Committee continues to believe that high deductible health plans and the related HSAs will help reduce health care costs. An interruption in an individual’s eligibility to contribute to a health

¹ Sec. 223.

² Notice 2012–14, 2012–1 C.B. 411.

savings account merely because of the receipt of medical services provided by the IHS or a tribal organization reduces the value of a health savings account. In addition, the need to monitor the time-frame within which IHS services are received may discourage individuals from contributing to a health savings account. The Committee wishes to assure that individuals who are otherwise eligible to contribute to a health savings account continue to be eligible without regard to the receipt of medical services from the IHS or a tribal organization.

EXPLANATION OF PROVISION

Under the provision, an individual is not treated as covered under a health plan other than a high deductible health plan merely because the individual receives hospital care or medical services under a medical care program of the IHS or of a tribal organization. Thus, an individual who is otherwise an eligible individual for purposes of making HSA contributions does not become ineligible merely because of receiving hospital care or medical services under a medical care program of the IHS or of a tribal organization.

EFFECTIVE DATE

The provision applies to taxable years beginning after December 31, 2016.

III. VOTES OF THE COMMITTEE

In compliance with clause 3(b) of rule XIII of the Rules of the House of Representatives, the following statement is made concerning the vote of the Committee on Ways and Means in its consideration of H.R. 5452, the “Native American Health Savings Improvement Act,” on June 15, 2016.

The bill, H.R. 5452, as amended, was ordered favorably reported to the House of Representatives by a voice vote (with a quorum being present).

IV. BUDGET EFFECTS OF THE BILL

A. COMMITTEE ESTIMATE OF BUDGETARY EFFECTS

In compliance with clause 3(d) of rule XIII of the Rules of the House of Representatives, the following statement is made concerning the effects on the budget of the bill, H.R. 5452, as reported.

The bill, as reported, is estimated to have the following effect on Federal fiscal year budget receipts for the period 2017–2026:

Fiscal years, millions of dollars—										
2017	2018	2019	2020	2021	2022	2023	2024	2025	2026	2017–21
–1	–8	–12	–17	–19	–20	–22	–24	–26	–28	–57
Note: Details do not add to totals due to rounding. ¹ Estimate includes the following off-budget effects:										
2017	2018	2019	2020	2021	2022	2023	2024	2025	2026	2017–21
²	–3	–4	–5	–6	–7	–7	–8	–8	–9	–18

² Loss of less than \$500,000.

Pursuant to clause 8 of rule XIII of the Rules of the House of Representatives, the following statement is made by the Joint Committee on Taxation with respect to the provisions of the bill amending the Internal Revenue Code of 1986: The gross budgetary effect (before incorporating macroeconomic effects) in any fiscal year is less than 0.25 percent of the current projected gross domestic product of the United States for that fiscal year; therefore, the bill is not “major legislation” for purposes of requiring that the estimate include the budgetary effects of changes in economic output, employment, capital stock and other macroeconomic variables.

B. STATEMENT REGARDING NEW BUDGET AUTHORITY AND TAX
EXPENDITURES BUDGET AUTHORITY

In compliance with clause 3(c)(2) of rule XIII of the Rules of the House of Representatives, the Committee states that the bill involves no new or increased budget authority. The Committee further states that the revenue-reducing provision of the bill involves increased tax expenditures. See amounts shown in the table in Part IV.A above.

C. COST ESTIMATE PREPARED BY THE CONGRESSIONAL BUDGET
OFFICE

In compliance with clause 3(c)(3) of rule XIII of the Rules of the House of Representatives, requiring a cost estimate prepared by the CBO, the following statement by CBO is provided.

U.S. CONGRESS,
CONGRESSIONAL BUDGET OFFICE,
Washington, DC, June 20, 2016.

Hon. KEVIN BRADY,
*Chairman, Committee on Ways and Means,
House of Representatives, Washington, DC.*

DEAR MR. CHAIRMAN: The Congressional Budget Office has prepared the enclosed cost estimate for H.R. 5452, the Native American Health Savings Improvement Act.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Peter Huether.

Sincerely,

KEITH HALL.

Enclosure.

H.R. 5452—Native American Health Savings Improvement Act

H.R. 5452 would amend the Internal Revenue Code to make individuals eligible to contribute to a Health Savings Account (HSA) if they are currently ineligible as a result of receiving medical services at an Indian Health Service (IHS) facility. Under current law, individuals who received service at an IHS facility in the past three months are ineligible to make contributions to an HSA, and the bill would remove that limitation.

The staff of the Joint Committee on Taxation (JCT) estimates that enacting H.R. 5452 would reduce revenues by \$178 million over the 2017–2026 period. Of that reduction, \$57 million would result from changes in off-budget revenues (from Social Security payroll taxes).

The Statutory Pay-As-You-Go Act of 2010 establishes budget-reporting and enforcement procedures for legislation affecting revenues or direct spending. The net changes in revenues that are subject to those pay-as-you-go procedures are shown in the following table. Only on-budget changes to revenues and direct spending are subject to pay-as-you-go procedures.

CBO and JCT estimate that enacting the bill would not increase net direct spending or on-budget deficits by more than \$5 billion in any of the four 10-year periods beginning in 2027.

JCT has determined that the bill contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act.

The CBO staff contact for this estimate is Peter Huether. The estimate was approved by David Weiner, Assistant Director for Tax Analysis.

V. OTHER MATTERS TO BE DISCUSSED UNDER THE RULES OF THE HOUSE

A. COMMITTEE OVERSIGHT FINDINGS AND RECOMMENDATIONS

With respect to clause 3(c)(1) of rule XIII of the Rules of the House of Representatives (relating to oversight findings), the Committee advises that it was as a result of the Committee's review of the provisions of H.R. 5452 that the Committee concluded that it is appropriate to report the bill, as amended, favorably to the House of Representatives with the recommendation that the bill do pass.

B. STATEMENT OF GENERAL PERFORMANCE GOALS AND OBJECTIVES

With respect to clause 3(c)(4) of rule XIII of the Rules of the House of Representatives, the Committee advises that the bill contains no measure that authorizes funding, so no statement of general performance goals and objectives for which any measure authorizes funding is required.

C. INFORMATION RELATING TO UNFUNDED MANDATES

This information is provided in accordance with section 423 of the Unfunded Mandates Reform Act of 1995 (Pub. L. No. 104–4).

The Committee has determined that the bill does not contain Federal mandates on the private sector. The Committee has deter-

mined that the bill does not impose a Federal intergovernmental mandate on State, local, or tribal governments.

D. APPLICABILITY OF HOUSE RULE XXI 5(b)

Rule XXI 5(b) of the Rules of the House of Representatives provides, in part, that “A bill or joint resolution, amendment, or conference report carrying a Federal income tax rate increase may not be considered as passed or agreed to unless so determined by a vote of not less than three-fifths of the Members voting, a quorum being present.” The Committee has carefully reviewed the bill and states that the bill does not involve any Federal income tax rate increases within the meaning of the rule.

E. TAX COMPLEXITY ANALYSIS

Section 4022(b) of the Internal Revenue Service Restructuring and Reform Act of 1998 (“IRS Reform Act”) requires the staff of the Joint Committee on Taxation (in consultation with the Internal Revenue Service and the Treasury Department) to provide a tax complexity analysis. The complexity analysis is required for all legislation reported by the Senate Committee on Finance, the House Committee on Ways and Means, or any committee of conference if the legislation includes a provision that directly or indirectly amends the Internal Revenue Code of 1986 and has widespread applicability to individuals or small businesses.

Pursuant to clause 3(h)(1) of rule XIII of the Rules of the House of Representatives, the staff of the Joint Committee on Taxation has determined that a complexity analysis is not required under section 4022(b) of the IRS Reform Act because the bill contains no provisions that amend the Internal Revenue Code of 1986 and that have “widespread applicability” to individuals or small businesses, within the meaning of the rule.

F. CONGRESSIONAL EARMARKS, LIMITED TAX BENEFITS, AND LIMITED TARIFF BENEFITS

With respect to clause 9 of rule XXI of the Rules of the House of Representatives, the Committee has carefully reviewed the provisions of the bill and states that the provisions of the bill do not contain any congressional earmarks, limited tax benefits, or limited tariff benefits within the meaning of the rule.

G. DUPLICATION OF FEDERAL PROGRAMS

In compliance with Sec. 3(g)(2) of H. Res. 5 (114th Congress), the Committee states that no provision of the bill establishes or reauthorizes: (1) a program of the Federal Government known to be duplicative of another Federal program, (2) a program included in any report from the Government Accountability Office to Congress pursuant to section 21 of Public Law 111–139, or (3) a program related to a program identified in the most recent Catalog of Federal Domestic Assistance, published pursuant to the Federal Program Information Act (Public Law 95–220, as amended by Public Law 98–169).

H. DISCLOSURE OF DIRECTED RULE MAKINGS

In compliance with Sec. 3(i) of H. Res. 5 (114th Congress), the following statement is made concerning directed rule makings: The Committee estimates that the bill requires no directed rule makings within the meaning of such section.

VI. CHANGES IN EXISTING LAW MADE BY THE BILL, AS REPORTED

A. TEXT OF EXISTING LAW AMENDED OR REPEALED BY THE BILL, AS REPORTED

In compliance with clause 3(e)(1)(A) of rule XIII of the Rules of the House of Representatives, the text of each section proposed to be amended or repealed by the bill, as reported, is shown below:

(I) gross income of the individual for the taxable year in which occurs the first month in the testing period for which such individual is not an eligible individual is increased by the aggregate amount of all contributions to the health savings account of the individual which could not have been made but for subparagraph (A), and

(II) the tax imposed by this chapter for any taxable year on the individual shall be increased by 10 percent of the amount of such increase.

(ii) EXCEPTION FOR DISABILITY OR DEATH.—Subclauses (I) and (II) of clause (i) shall not apply if the individual ceased to be an eligible individual by reason of the death of the individual or the individual becoming disabled (within the meaning of section 72(m)(7)).
