Hunting Regulations

Welcome to J. Clark Salyer National Wildlife Refuge

The Refuge was established in 1935 as a Refuge and breeding ground for migratory birds and other wildlife. The diversity of wetlands, native grasslands, and woodlands found on the Refuge provides excellent habitat for a variety of wildlife species.

The Refuge offers a quality hunting experience for deer, turkey, grouse, partridge, pheasant, fox, and waterfowl in accordance with State regulations. Please familiarize yourself with the following information and regulations to help ensure a safe and enjoyable Refuge experience.

General Regulations

- All Federal and State hunting regulations apply as well as special Refuge hunting regulations.
- Hunters must possess all applicable State and Federal licenses and permits.
- Consult Refuge regulations for specific areas and species open to hunting.

Special Refuge Hunting Regulations

Hours

- The Refuge is open from 5:00 am to 10:00 pm.

Firearms

- Persons possessing, transporting, or carrying firearms on National Wildlife Refuge System lands must comply with all provisions of State and local law. Persons may only use (discharge) firearms in accordance with refuge regulations (50 CFR 27.42 and specific regulations in 50 CFR Part 32).
- It is unlawful to carry a loaded firearm in any vehicle on Refuge lands and roads.
- Approved non-toxic shot is required when hunting upland game, turkey, and waterfowl.
- Lead bullets in rifles and muzzleloaders are allowed in accordance with State regulations.
