PURPOSE AND SUMMARY

H.R. 2772, “VA Senior Executive Accountability Act” or the “SEA Act,” introduced by Representative Scott Taylor of Virginia on June 6, 2017. H.R. 2772 would require the Secretary of the U.S. Department of Veterans Affairs (VA) to personally approve of a reassignment of any VA employee, submit a semiannual report to Congress identifying those employees who were reassigned and the costs associated with this reassignment.

BACKGROUND AND NEED FOR LEGISLATION

Section 1. Short title

This section would create the short title of this bill to be the “VA Senior Executive Accountability Act” or the “SEA Act”.

Section 2. Semiannual report on reassignment of Department of Veterans Affairs Senior Executive Employees

In 2015, the U.S. Department of Veterans Affairs Office of Inspector General (VAOIG) published a report that concluded that members of VA’s Senior Executive Service (SES) used their management positions to be reassigned to another position within the Department for personal gain.¹ Following this report, and the subsequent Committee investigation, the VA suspended indefinitely the use of the Appraised Value Offer (AVO) program that the Department used to help sell the homes of SES employees when they were reassigned to a new position within the Department, often at a significant expense to the taxpayer.

November 10, 2016, VA quietly reauthorized the AVO program with little to no transparency on its use or new implementation policy to avoid abuse. The Committee remains concerned about the use of the AVO program and believes that there needs to be a mechanism put in place to provide transparency of the cost to taxpayers of any reassignment of a SES employee. Additionally, the Committee is concerned about the perceived practice that VA moves senior officials to another location within the Department instead of providing true accountability for the misconduct or poor performance for members of the SES. For example, the Department has reassigned an offending SES employee to an administrative position for brief period to only reassign the employee to another SES position within the Department at a later date. The Committee believes that transparency of the reassignment of all SES employees is important, which is why this section, therefore, would require VA to semiannually report to Congress about where senior executives are being moved and to report all expenses associated with such moves. In addition, this report would also require that the Secretary personally approve and sign off on all reassignments of SES employees to ensure that such moves are justified and are in the best interests of the Department, veterans, and taxpayers.

U.S. CONGRESS,

Washington, DC, July 21, 2017.

Hon. PHIL ROE, M.D.,
Chairman, Committee on Veterans' Affairs,
House of Representatives, Washington, DC.

Sincerely,

(For Keith Hall, Director).

Enclosure.

H.R. 2772—SEA Act

H.R. 2772 would bar a member of the Senior Executive Service (SES) employed by the Department of Veterans Affairs (VA) from being reassigned within the agency without written approval by the Secretary of VA. H.R. 2772 also would require VA to submit semi-annual reports to the Congress on reassigned SES employees.

CBO expects that changing the requirements for reassigning SES employees would have no budgetary effect. On the basis of information from VA regarding reports of a similar nature, CBO estimates that implementing H.R. 2772 would cost less than \$500,000 over the 2017–2022 period, subject to the availability of appropriations.

Enacting H.R. 2772 would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply.

CBO estimates that enacting H.R. 2772 would not increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2028.

H.R. 2772 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.

The CBO staff contact for this estimate is Dwayne M. Wright. The estimate was approved by H. Samuel Papenfuss, Deputy Assistant Director of Budget Analysis.

FEDERAL MANDATES STATEMENT

The Committee adopts as its own the estimate of Federal mandates regarding H.R. 2772, prepared by the Director of the Congressional Budget Office pursuant to section 423 of the Unfunded Mandates Reform Act.

ADVISORY COMMITTEE STATEMENT

No advisory committees within the meaning of section 5(b) of the Federal Advisory Committee Act would be created by H.R. 2772.

CONSTITUTIONAL AUTHORITY STATEMENT

Pursuant to Article I, section 8 of the United States Constitution, H.R. 2772 is authorized by Congress' power to "provide for the common Defense and general Welfare of the United States."

APPLICABILITY TO LEGISLATIVE BRANCH

The Committee finds that H.R. 2772 does not relate to the terms and conditions of employment or access to public services or accommodations within the meaning of section 102(b)(3) of the Congressional Accountability Act.

STATEMENT ON DUPLICATION OF FEDERAL PROGRAMS

Pursuant to clause 3(c)(5) of rule XIII of the Rules of the House of Representatives, the Committee finds that no provision of H.R. 2772 establishes or reauthorizes a program of the Federal Government known to be duplicative of another Federal program, a program that was included in any report from the Government Accountability Office to Congress pursuant to section 21 of Public Law 111–139, or a program related to a program identified in the most recent Catalog of Federal Domestic Assistance.

DISCLOSURE OF DIRECTED RULEMAKING

Pursuant to section 3(i) of H. Res. 5, 115th Cong. (2017), H.R. 2772 contains no direct rule making.

SECTION-BY-SECTION ANALYSIS OF THE LEGISLATION

Section 1. Short title

This section cites the short of this bill to be, the "VA Senior Executive Accountability Act" or the "SEA Act".

Section 2. Semiannual reports on reassignment of Department of Veterans Affairs Senior Executive Employees

This section would amend chapter 7 of title 38, U.S.C., to create a new section 719 entitled, "§ 719. Reassignment of Senior Executives."

Subsection (a) of the new section 719 would require that no member of the SES may be reassigned unless the reassignment is approved, in writing, by the Secretary of Veterans Affairs.

Subsection (b) of the new section 719 would require that no later than June 30 and December 31 of each year, the Secretary to submit to Congress a report on the reassignment of individuals employed in the SES to other locations within the Department during the reporting period. Each such report would describe the purpose of each such reassignment and the costs associated with such reassignment.

Subsection (c) of the new section 719 would give the term “senior executive position” the definition as provided by section 713(g)(3) of title 38, U.S.C.
