PURPOSE AND SUMMARY

The purpose of H.R. 4564 is to require a threat assessment on current foreign terrorist fighter activities. This bill directs the Secretary of Homeland Security, in coordination with the Secretary of State and Director of National Intelligence, to conduct a threat assessment of current foreign terrorist fighter activity—including infor-

mation on travel and trends, destination countries, and changes in activity in Iraq and Syria-and report to Congress on its findings.

BACKGROUND AND NEED FOR LEGISLATION

This year the Islamic State (ISIS) lost most of its self-declared caliphate in the Republic of Iraq and the Syrian Arab Republic. The liberation of Mosul and Raqqa are major victories for anti-ISIS forces, but the terrorist group is far from defeated, even in the region. Many jihadis not killed on the battlefield have chosen to hide, rearm, and recuperate-going underground for a period before re-emerging to fight the next phase of the insurgency. Reports about the current location of remaining ISIS fighters vary. While there is evidence that some fighters are returning to their home countries, other reports indicate that fighters are holed up in Syria's Idlib province or Turkey, contemplating their next move. Still others may have escaped to ISIS provinces, including Libya, Afghanistan, Northern Africa, and Southeast Asia, in order to regroup and continue their recruitment and fight against the West.

Of particular concern for the homeland are those who seek to return to Europe or the United States. Of the 5,000 Europeans who left to fight with ISIS, approximately one third have returned home. Many ISIS fighters are currently residing in Turkey, with the possibility of fleeing to Europe via old refugee routes. Those fighters who have fled or returned to Europe may seek to exploit direct flights to the United States, as well as the Visa Waiver Program (VWP). H.R. 4564 will ensure that Congress and the Executive gain better clarity on foreign terrorist fighter travel and trends after the defeat of the caliphate, in light of the varying reports, which will strengthen our defenses as the diaspora unfolds.

NEW BUDGET AUTHORITY, ENTITLEMENT AUTHORITY, AND TAX EXPENDITURES

In compliance with clause 3(c)(2) of rule XIII of the Rules of the House of Representatives, the Committee finds that H.R. 4564, the Post-Caliphate Threat Assessment Act of 2017, would result in no new or increased budget authority, entitlement authority, or tax expenditures or revenues.

CONGRESSIONAL BUDGET OFFICE ESTIMATE

Pursuant to clause 3(c)(3) of rule XIII of the Rules of the House of Representatives, a cost estimate provided by the Congressional Budget Office pursuant to section 402 of the Congressional Budget Act of 1974 was not made available to the Committee in time for the filing of this report. In compliance with section 423 of the Congressional Budget Act of 1974, requiring the report of any Committee on a bill or joint resolution to include a statement on the extent to which the bill or joint resolution is intended to preempt State, local, or Tribal law, the Committee finds that H.R. 4564 does not preempt any State, local, or Tribal law.
