COMMUNICATION

FROM

THE PRESIDENT OF THE UNITED STATES

TRANSMITTING

A REQUEST FOR FY 2007 BUDGET AMENDMENTS FOR THE DE-
PARTMENTS OF AGRICULTURE, AND STATE AND OTHER INTER-
NATIONAL PROGRAMS; THE FEDERAL COMMUNICATIONS COM-
MISSION AND THE SMITHSONIAN INSTITUTION

APRIL 25, 2006.—Referred to the Committee on Appropriations and
ordered to be printed

U.S. GOVERNMENT PRINTING OFFICE

THE WHITE HOUSE,
Washington, DC, April 6, 2006.

Hon. J. DENNIS HASTERT,
Speaker of the House of Representatives,
Washington, DC.

DEAR MR. SPEAKER: I ask the Congress to consider the enclosed FY 2007 Budget amendments for the Departments of Agriculture, and State and Other International Programs; the Federal Communications Commission; and the Smithsonian Institution. Overall, the discretionary budget authority in my FY 2007 Budget would not be increased by these requests.

This transmittal also contains FY 2007 Budget amendments for the legislative branch. As a matter of comity, appropriations requests for the legislative branch are commonly transmitted without change.

The details of these proposals are set forth in the enclosed letter from the Director of the Office of Management and Budget.

Sincerely,

GEORGE W. BUSH.

[Estimate No. 4, 109th Congr., 2nd Sess.]

EXECUTIVE OFFICE OF THE PRESIDENT,
OFFICE OF MANAGEMENT AND BUDGET,
Washington, DC, April 5, 2006.

The PRESIDENT,
The White House.

Submitted for your consideration are requests for the Departments of Agriculture, and State and Other International Programs; the Federal Communications Commission; and the Smithsonian Institution. These amendments are technical in nature and are necessary to correctly reflect policies assumed in your FY 2007 Budget. Overall, the discretionary budget authority proposed in your Budget would not be increased by these requests.

This transmittal also contains FY 2007 Budget amendments for the Legislative Branch. As a matter of comity, appropriations requests for the Legislative Branch are commonly transmitted without change. In total, these amendments would increase net discretionary resources in the FY 2007 Budget by \$8.3 million.

The Mid-Session Review of the FY 2007 Budget, due to the Congress on July 15, 2006, will adjust the Budget to reflect necessary corrections and updates to the FY 2007 Budget.

Recommendation

I have reviewed these proposals and am satisfied that they are necessary at this time. Therefore, I join the heads of the affected Departments and agencies in recommending that you transmit the proposals to the Congress.

Sincerely,

JOSHUA B. BOLTEN,
Director.

Enclosures.

FY 2007 Pending Request: —

Proposed Amendment: Language

Revised Request: —

(In the appropriations language under the above heading, delete “Promotion Board Oversight” and substitute *Marketing Agreements and Orders*.)

This amendment is necessary to reflect correctly the fee account in which certain marketing service collections can be deposited.

The proposed budget totals would not be affected by this amendment.

DEPARTMENT OF AGRICULTURE

FARM SERVICE AGENCY

AGRICULTURAL CREDIT INSURANCE FUND PROGRAM ACCOUNT

FY 2007 Budget Appendix Page: 104

FY 2007 Pending Request: \$425,817,000

Proposed Amendment: Language

Revised Request: \$433,569,000

(In the appropriations language in the second paragraph under the above heading, delete "\$102,780,000" and substitute \$102,612,000; delete "\$2,154,000" and substitute \$2,667,000; delete "\$25,401,000" and substitute \$24,720,000. In the third paragraph, delete "\$311,737,000" and substitute \$319,657,000; and delete "\$319,657,000" and substitute \$311,737,000.)

This proposal would amend the pending appropriations language to reflect correctly the budget authority for unsubsidized guaranteed and subsidized guaranteed loans. In addition, the proposal would correct the administrative expenses total and associated transfer amount, which were inadvertently reversed.

The proposed budget totals would not be affected by this amendment.

DEPARTMENT OF AGRICULTURE

TITLE VII—GENERAL PROVISIONS, SECTION 708

FY 2007 Budget Appendix Pages: 194

FY 2007 Pending Request: —

Proposed Amendment: Language

Revised Request: —

(In the appropriations language Under the above heading, amend section 708 by deleting the phrase “determined by the Office of the Chief Information Officer, without the notification of the Chief Information Officer”, and inserting the phrase *determined by the Office of the Chief Information Officer, without the approval of the Chief Information Officer.*)

This amendment is necessary to reflect correctly existing Administration policy and the appropriations language used in previous years that requires approval by the Chief Information Officer (CIO) for acquisition of new information technology systems or significant upgrades. The pending request erroneously instructs that the CIO be notified only of such actions.

The proposed budget totals would not be affected by this amendment.

DEPARTMENT OF AGRICULTURE

TITLE VII—GENERAL PROVISIONS, SECTION 712

FY 2007 Budget Appendix Pages: 199

FY 2007 Pending Request: —

Proposed Amendment: Language

Revised Request: —

(In the appropriations language under the above heading, amend section 712 as follows:)

(1) in subsection (d), delete “7 U.S.C. 950bb” and substitute *7 U.S.C. 950bb (j)(1)*;

(2) in subsection (e), delete “7 U.S.C. 1621 note” and substitute *section 231(b)(4) of Public Law 106–224, as amended by section 6401 of Public Law 107–171 (7 U.S.C. 1621 note)*; and

(3) in subsection (j), delete “section 9006” and substitute *section 9006(f)*.

This amendment would correct inadvertent errors in referencing the authorizing citations associated with proposed cancellations of mandatory funding.

The proposed budget totals would not be affected by this amendment.

DEPARTMENT OF STATE AND OTHER INTERNATIONAL
PROGRAMS

TITLE V—GENERAL PROVISIONS, SECTION 540

FY 2007 Budget Appendix Pages: 839

FY 2007 Pending Request: —

Proposed Amendment: Language

Revised Request: —

(In the appropriations language under the above heading, amend section 540(c) by deleting the opening and closing brackets. Re-letter all subsequent subsections under the above heading as appropriate.)

This amendment would maintain subsection (c) which was inadvertently deleted. This subsection contains language that requires that personal services contractors be reduced on a one-to-one basis as the hiring authorized in section 540 is utilized, consistent with Administration policy.

The proposed budget totals would not be affected by this amendment.

FEDERAL COMMUNICATIONS COMMISSION

SALARIES AND EXPENSES

FY 2007 Budget Appendix Page: 1150

FY 2007 Request: \$302,542,000 (gross spending authority);
\$301,500,000 (offsetting collections); \$1,042,000 (net budget authority)

Proposed Amendment: Language

Revised Request: \$302,542,000 (gross spending authority);
\$301,500,000 (offsetting collections); \$1,042,000 (net budget authority)

(In the appropriations language under the above heading, delete the first proviso and substitute the following: *Provided, That offsetting collections shall be assessed and collected pursuant to section 9 of title I of the Communications Act of 1934, of which \$301,500,000 shall be retained and used for necessary expenses in this appropriation, and shall remain available until expended:* and delete the third proviso and substitute the following: *Provided further, That any offsetting collections received in excess of \$301,500,000 in fiscal year 2007 shall not be available for obligation: Provided further, That remaining offsetting collections from prior years collected in excess of the amount specified for collection in each such year and otherwise becoming available on October 1, 2006, shall not be available for obligation.*)

This amendment would make all prior and future regulatory fee collections in excess of specified collections targets unavailable for obligation to correctly reflect existing policy. This balance would remain in the Salaries and Expenses account and an appropriation would be required before such funds become available for obligation. This action will not affect the Federal Communications Commission's planned expenditures or activities.

The proposed budget totals would not be affected by this amendment.

SMITHSONIAN INSTITUTION

SALARIES AND EXPENSES

FY 2007 Request: \$530,394,000

Proposed Amendment: \$7,000,000

Revised Request: \$537,394,000

This amendment is necessary to reflect correctly the FY 2007 request for the Smithsonian Institution's Salaries and Expenses account, which inadvertently requested \$7 million less than Administration policy. The Smithsonian Institution's congressional justification materials submitted to the Congress includes the correct request amount. The increase in budget authority is fully offset by a corresponding reduction in the Facilities Capital account, as proposed in an accompanying amendment.

Taken together with the accompanying amendment, the proposed budget totals would not be affected by this amendment.
