CELEBRATING ROANOKE'S NEIGHBORHOODS

This summer, you'll have the chance to welcome a new neighbor: **Parks & Arts**, an innovative new series of arts and cultural events coming to your neighborhood parks. As a collaboration with the City of Roanoke and its neighborhood alliances, Parks & Arts was designed to promote community involvement, as well as arts and cultural diversity, in seven Roanoke neighborhoods—and ultimately, to strengthen our entire community. Fun, free, and educational for the whole family, these one-day events will feature familiar visual and performing arts organizations, along with showcasing up-and-coming new artists. Take a look at the schedule of exciting events, pack a picnic lunch and make plans to attend. After all, it's your park—and your art. To learn more, visit www.roanokeva.gov/parksandarts.
