GENERAL LAND OFFICE, *December, 1829.*

GEO. GRAHAM, *Commissioner.*

TREASURY DEPARTMENT,  
*Register's Office, May 28th, 1830.*

SIR: I have the honor to transmit a statement of the value of Exports from the several States and Territories of the United States, from the commencement of the Government to the 30th September, 1828, prepared in obedience to a resolution of the Senate of the United States, of the 3d March, 1829. Also, a statement of disbursements, from the commencement of the Government to the 31st December, 1828, exhibiting, as nearly as can be ascertained, the States and Territories in which they were made. In forming this statement, which embraces the payments made directly from the Treasury, as well as those through the agency of the other Departments, the amounts disbursed were placed to the States or Territories in which the Agents resided, although it is known that many of their disbursements extended to other States. This remark applies, particularly, to moneys expended by the War and Navy Departments.

I beg leave to remark, that this statement has been delayed for several months for want of that information properly belonging to the Navy Department, and which was essential to make the report complete. I am aware, that the difficulties connected with the report of the Fourth Auditor were great and unavoidable.

I have the honor to be, Sir,  
Your obedient servant,

T. L. SMITH,  
*Register of the Treasury.*

Hon. SAMUEL D. INGHAM,  
*Secretary of the Treasury.*
