NATIONAL INDUSTRIAL RECOVERY BOARD,  
By W. A. HARRIMAN, *Administrative Officer.*

Approval recommended:

HARRY C. CARR,  
*Acting Division Administrator.*

WASHINGTON, D. C.,  
*April 19, 1935.*

## REPORT TO THE PRESIDENT

The PRESIDENT

*The White House.*

SIR: This is a report on an amendment to the Supplementary Code of Fair Competition for the Wholesale Wall Paper Trade, a division of the Wholesaling or Distributing Trade, said Supplementary Code being Approved Code No. 201—Supplement No. 2 and approved by the Administrator for Industrial Recovery on March 16, 1934.

This Code has been amended by deleting Article IV, Section 4, and substituting therefor a provision which makes it an unfair trade practice to mark the value or price of wall paper on sample books to either consumers or paper-hangers and decorators by any other method than plain dollars and cents figures.

The Deputy Administrator in his final report to the National Industrial Recovery Board (hereinafter referred to as "the Board") on said amendment to said Supplementary Code having found as herein set forth and on the basis of all the proceedings in this matter;

The Board finds that:

(a) The amendment to said Supplementary Code and the Supplementary Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Supplementary Code as amended complies in all respects with the pertinent provisions of said Title of said Act, including without limitation Subsection (a) of Section 3, Subsection (a) of Section 7, and Subsection (b) of Section 10 thereof.

(c) The National Wall Paper Wholesalers Association was and is a trade association truly representative of the aforesaid Trade and consents to this amendment.

(d) The amendment and the Supplementary Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(e) The amendment and the Supplementary Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to the approval of this amendment to the Supplementary Code.

For these reasons this amendment to the above-named Supplementary Code has been approved.

For the National Industrial Recovery Board:

W. A. HARRIMAN,  
*Administrative Officer.*

APRIL 19, 1935.
