WASHINGTON, D.C.,
April 4, 1934.

REPORT TO THE PRESIDENT

The PRESIDENT,

The White House.

SIR: An application has been duly made pursuant to and in full compliance with the provisions of the National Industrial Recovery Act for an amendment to the Code of Fair Competition for the Restaurant Industry, recommended by the Code Authority for that Industry.

This amendment is proposed in order to permit the National, State and Local Code Authorities, established pursuant to the provisions of Article VIII, Section 1, Subsection (e) of the Code, to incorporate.

The Deputy Administrator, in his final report to me on said amendment to said Code, having found as herein set forth and on the basis of all the proceedings in this matter:

I find that:

(a) The amendment to said Code and the Code, as amended, are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act, including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action among trade groups, by inducing and maintaining united action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code as amended complies in all respects with the pertinent provisions of said Title of said Act, including without limitation Subsection (a) of Section 3, Subsection (a) of Section 7 and Subsection (b) of Section 10 thereof.

(c) The Code empowers the Code Authority to present the afore-said amendment on behalf of the Industry as a whole.

(d) The amendment and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(e) The amendment and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said amendment.

For these reasons, therefore, I have approved this amendment.

Respectfully,

HUGH S. JOHNSON,
Administrator.

APRIL 4, 1934.

The powers, objects and purposes of such corporations shall in all respects be limited to the powers, objects and purposes of the Restaurant Industry Code Authority and the State and Local Restaurant Code Authorities, as provided in this Code, and the existence of such corporations shall be during the term of this Code.”
