NATIONAL INDUSTRIAL RECOVERY BOARD,
By W. A. HARRIMAN, *Administrative Officer.*

Approval recommended:

ROBT. N. CAMPBELL,
Acting Division Administrator.

WASHINGTON, D. C.,
April 16, 1935.

REPORT TO THE PRESIDENT

The PRESIDENT,
The White House.

SIR: This is a report on an Amendment to the Supplementary Code of Fair Competition for the Kalamein Division of the Construction Industry which was approved on June 9, 1934.

This amendment makes it mandatory that each member of the Industry must pay his or its equitable contribution to the expenses of the maintenance of the Divisional Code Authority, and that only members of this Industry complying with the Code and contributing to the expenses of its administration shall be entitled to participation in the selection of members of the Code Authority.

FINDINGS

The Deputy Administrator in his final report on said amendment to said Code having found as herein set forth and on the basis of all the proceedings in this matter:

The Board finds that:

(a) The amendment to said Code and the Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code as amended complies in all respects with the pertinent provisions of said Title of said Act, including without limitation subsection (a) of Section 3, subsection (a) of Section 7 and subsection (b) of Section 10 thereof.

(c) The Code empowers the Divisional Code Authority to present the aforesaid amendment on behalf of the Industry as a whole.

(d) The amendment and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(e) The amendment and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said amendment.

For these reasons, therefore, the National Industrial Recovery Board has approved said amendment to the Kalamein Industry's Chapter of the Code of Fair Competition of the Construction Industry.

For the National Industrial Recovery Board:

W. A. HARRIMAN,
Administrative Officer.

APRIL 16, 1935.

AMENDMENT TO CODE OF FAIR COMPETITION FOR THE KALAMEIN INDUSTRY

A DIVISION OF THE CONSTRUCTION INDUSTRY

Amend Article III, Section 4, by deleting the present Section and, in lieu thereof, insert the following:

SECTION 4. It being found necessary, in order to support the administration of this Chapter and to maintain the standards of fair competition established by this Code and to effectuate the policy of the Act, the Divisional Code Authority is authorized, subject to the approval of the National Industrial Recovery Board:

(a) To incur such reasonable obligations as are necessary and proper for the foregoing purposes and to meet such obligations out of funds which may be raised as hereinafter provided and which shall be held in trust for the purposes of this Chapter;

(b) to submit to the National Industrial Recovery Board for its approval, subject to such notice and opportunity to be heard as it may deem necessary, (1) an itemized budget of its estimated expenses for the foregoing purposes, and (2) an equitable basis upon which the funds necessary to support such budget shall be contributed by members of this Division;

(c) after such budget and basis of contribution have been approved by the National Industrial Recovery Board to determine and secure equitable contribution as above set forth by all such members of this Division, and to that end, if necessary, to institute legal proceedings therefor in its own name.

(d) Each member of the Division shall pay his or its equitable contribution to the expenses of the maintenance of the Divisional Code Authority, determined as hereinabove provided and subject to the rules and regulations pertaining thereto issued by the National Industrial Recovery Board. Only members of the Industry complying with the Code and contributing to the expenses of its administration as hereinabove provided, (unless duly exempted from making such contributions), shall be entitled to participate in the selection of members of the Divisional Code Authority or to receive the benefits of any of its voluntary activities or make use of any emblem or insignia of the National Recovery Administration.

(e) The Divisional Code Authority shall neither incur nor pay any obligation substantially in excess of the amount thereof as estimated in its approved budget, and shall in no event exceed the total amount contained in the approved budget, except upon approval of the National Industrial Recovery Board; and no subsequent budget shall contain any deficiency items for expenditures in excess of prior budget estimates except those which the National Industrial Recovery Board shall have so approved.
