HUGH S. JOHNSON,

Approval recommended:

C. E. ADAMS,
Division Administrator.

WASHINGTON, D.C.,
August 4, 1934.

REPORT TO THE PRESIDENT

The PRESIDENT,
The White House.

SIR: A proposed modification to the Code of Fair Competition for the Upholstery Spring and Accessories Manufacturing Industry was submitted to the National Recovery Administration on May 19, 1934, by the Upholstery Spring and Accessories Manufacturers' Association, Inc., in accordance with Article XIII of said Code approved on March 10, 1934.

This modification of the Code was submitted to the Legal Division and at their suggestion the modification was revised and resubmitted on June 7, 1934, in its present form for approval.

Notice of Opportunity to be Heard prior to July 21, 1934, was published on July 9, 1934. No requests for hearing were filed.

This modification of the Code provides for the submission of a Budget and equitable Basis of Assessment and the collection of such assessment to cover the expenses of Code administration.

The Deputy Administrator in his final report to me on said modification of said Code having found as herein set forth and on the basis of all the proceedings in this matter:

I find that:

(a) The modification of said Code and the Code as modified are well designed to promote the policies and purposes of Title I of the National Industrial Act, including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of Industry for the purpose of cooperative action among trade groups by inducing and maintaining united action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code as modified complies in all respects with the pertinent provisions of said Title of said Act, including without limitation sub-section (a) of Section 3, sub-section (a) of Section 7 and sub-section (b) of Section 10 thereof.

(c) The Upholstery Spring and Accessories Manufacturers' Association, Inc., was and is an industrial association, truly representative of the aforesaid Industry and said Association imposed and imposes no inequitable restrictions on admission to membership therein and has applied for this modification.

(d) The modification and the Code as modified are not designed to and will not permit monopolies or monopolistic practices.

(e) The modification and the Code as modified are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said modification.

For these reasons, therefore, I have approved the modification of the Upholstery Spring and Accessories Manufacturing Industry Code.

Respectfully,

HUGH S. JOHNSON,
Administrator.

AUGUST 4, 1934.
