NATIONAL INDUSTRIAL RECOVERY BOARD,
By G. A. LYNCH, *Administrative Officer.*

Approval recommended:

ROBERT L. HOUSTON,
Division Administrator.

WASHINGTON, D. C.
October 5, 1934.

REPORT TO THE PRESIDENT

The PRESIDENT,

The White House.

SIR: This is a report on an amendment to the Code of Fair Competition for the Liquefied Gas Industry. Said amendment is to be substituted for Article V, Section 5, and empowers the Code Authority to make collection of expenses of code administration from the members of the Industry.

Notice of Opportunity to be Heard has been issued to all interested parties; and no objections have been filed against the proposed amendment.

The Deputy Administrator in his final report to us on said amendment to said Code having found as herein set forth and the basis of all the proceedings in this matter;

We find that:

(a) The amendment to said Code and the Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code as amended complies in all respects with the pertinent provisions of said Title of said Act, including without limitation sub-section (a) of Section 3, sub-section (a) of Section 7 and sub-section (b) of Section 10 thereof.

(c) The amendment and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(d) The amendment and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(e) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said amendment.

For these reasons we have approved this amendment.

Respectfully,

NATIONAL INDUSTRIAL RECOVERY BOARD,
By G. A. LYNCH, *Administrative Officer.*

OCTOBER 5, 1934.

(c) After such budget and basis of contribution have been approved by the National Industrial Recovery Board, to determine and obtain equitable contribution as above set forth by all members of the Industry, and to that end, if necessary, to institute legal proceedings therefor in its own name.

(2) Each member of the Industry shall pay his or its equitable contribution to the expenses of the maintenance of the Code Authority (Emergency National Committee) determined as hereinabove provided, and subject to rules and regulations pertaining thereto issued by the National Industrial Recovery Board.
