PURPOSE OF LEGISLATION

H.R. 3814 disqualifies an individual from operating a commercial motor vehicle (CMV) for life if the individual uses a commercial

motor vehicle (CMV) to commit a felony involving human trafficking.

BACKGROUND AND NEED FOR LEGISLATION

In summer 2017, 10 people died in San Antonio, Texas in the process of being illegally trafficked in a commercial motor vehicle. The Federal Motor Carrier Safety Administration (FMCSA) currently prohibits an individual from operating a CMV for life if they are convicted of committing specific crimes, including alcohol abuse, negligent manslaughter, and drug trafficking.

H.R. 3814 adds committing a felony involving human trafficking to that list of crimes.

HEARINGS

No hearings were held on H.R. 3814.

LEGISLATIVE HISTORY AND CONSIDERATION

On September 21, 2017, Congressman John Katko (R-NY) introduced H.R. 3814.

On November 30, 2017, the Committee on Transportation and Infrastructure met in open session to consider H.R. 3814. The Committee ordered the bill to be reported favorably to the House by a voice vote with a quorum present.

COMMITTEE VOTES

Clause 3(b) of rule XIII of the Rules of the House of Representatives requires each committee report to include the total number of votes cast for and against on each record vote on a motion to report and on any amendment offered to the measure or matter, and the names of those members voting for and against. There were no recorded votes taken in connection with consideration of H.R. 3814.

COMMITTEE OVERSIGHT FINDINGS

With respect to the requirements of clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the Committee's oversight findings and recommendations are reflected in this report.

NEW BUDGET AUTHORITY AND TAX EXPENDITURES

Clause 3(c)(2) of rule XIII of the Rules of the House of Representatives does not apply where a cost estimate and comparison prepared by the Director of the Congressional Budget Office under section 402 of the Congressional Budget Act of 1974 has been timely submitted prior to the filing of the report and is included in the report. Such a cost estimate is included in this report.

CONGRESSIONAL BUDGET OFFICE COST ESTIMATE

With respect to the requirement of clause 3(c)(3) of rule XIII of the Rules of the House of Representatives and section 402 of the Congressional Budget Act of 1974, the Committee has received the enclosed cost estimate for H.R. 3814 from the Director of the Congressional Budget Office:

U.S. CONGRESS,
CONGRESSIONAL BUDGET OFFICE,
Washington, DC, December 14, 2017.

Hon. BILL SHUSTER,
*Chairman, Committee on Transportation and Infrastructure,
House of Representatives Washington, DC.*

DEAR MR. CHAIRMAN: The Congressional Budget Office has prepared the enclosed cost estimate for H.R. 3814, the No Human Trafficking on Our Roads Act.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Sarah Puro.

Sincerely,

KEITH HALL,
Director.

Enclosure.

H.R. 3814—No Human Trafficking on Our Roads Act

H.R. 3814 would permanently prohibit anyone who has used a commercial motor vehicle to commit a felony involving severe human trafficking from operating a commercial motor vehicle. Under current law, state agencies are responsible for issuing commercial driver's licenses and complying with the requirements in the bill. The Federal Motor Carrier Safety Administration (FMCSA) has two full-time employees who provide training for state inspectors and investigators who combat criminal activities such as drug trafficking. H.R. 3814 would require FMCSA to expand that effort.

Using information from FMCSA, CBO expects that the agency would add the equivalent of less than one full-time employee annually to implement the provisions of the bill. CBO estimates that the compensation and benefits for that work would be less than \$100,000 each year. As a result, CBO estimates, implementing the bill would cost less than \$500,000 over the 2018–2022 period; such spending would be subject to the availability of appropriated funds.

Enacting H.R. 3814 would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply.

CBO estimates that enacting H.R. 3814 would not increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2028.

H.R. 3814 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act (UMRA). As a condition of assistance, the bill would require states to ensure that people who commit acts of human trafficking will not be issued commercial driver's licenses. States already screen applicants for drug offenses, among others. Consequently, CBO estimates that the costs of the additional requirement would be small. Conditions of assistance are not considered intergovernmental mandates as defined in UMRA.

On August 29, 2017, CBO provided an estimate for S. 1532, the No Human Trafficking on Our Roads Act, as reported by the Senate Committee on Commerce, Science, and Transportation on August 3, 2017. The two pieces of legislation are similar and CBO's estimated costs are the same.

The CBO staff contacts for this estimate are Sarah Puro (for federal costs) and Jon Sperl (for mandates). The estimate was approved by H. Samuel Papenfuss, Deputy Assistant Director for Budget Analysis.

PERFORMANCE GOALS AND OBJECTIVES

With respect to the requirement of clause 3(c)(4) of rule XIII of the Rules of the House of Representatives, the performance goal and objective of H.R. 3814 is to disqualify individuals from operating a CMV for their lifetime if they used a CMV to commit a felony involving human trafficking.

ADVISORY OF EARMARKS

Pursuant to clause 9 of rule XXI of the Rules of the House of Representatives, the Committee is required to include a list of congressional earmarks, limited tax benefits, or limited tariff benefits as defined in clause 9(e), 9(f), and 9(g) of rule XXI of the Rules of the House of Representatives. No provision in the bill includes an earmark, limited tax benefit, or limited tariff benefit under clause 9(e), 9(f), or 9(g) of rule XXI.

DUPLICATION OF FEDERAL PROGRAMS

Pursuant to clause 3(c)(5) of rule XIII of the Rules of the House of Representatives, the Committee finds that no provision of H.R. 3814 establishes or reauthorizes a program of the federal government known to be duplicative of another federal program, a program that was included in any report from the Government Accountability Office to Congress pursuant to section 21 of Public Law 111–139, or a program related to a program identified in the most recent Catalog of Federal Domestic Assistance.

DISCLOSURE OF DIRECTED RULE MAKINGS

Pursuant to section 3(i) of H. Res. 5, 115th Cong. (2017), the Committee finds that enacting H.R. 3814 does not direct the completion of a specific rule making within the meaning of section 551 of title 5, United States Code.

FEDERAL MANDATE STATEMENT

The Committee adopts as its own the estimate of federal mandates prepared by the Director of the Congressional Budget Office pursuant to section 423 of the Unfunded Mandates Reform Act (Public Law 104–4).

PREEMPTION CLARIFICATION

Section 423 of the Congressional Budget Act of 1974 requires the report of any Committee on a bill or joint resolution to include a statement on the extent to which the bill or joint resolution is intended to preempt state, local, or tribal law. The Committee states that H.R. 3814 does not preempt any state, local, or tribal law.

ADVISORY COMMITTEE STATEMENT

No advisory committees within the meaning of section 5(b) of the Federal Advisory Committee Act are created by this legislation.

APPLICABILITY OF LEGISLATIVE BRANCH

The Committee finds that the legislation does not relate to the terms and conditions of employment or access to public services or accommodations within the meaning of section 102(b)(3) of the Congressional Accountability Act (Public Law 104-1).

SECTION-BY-SECTION ANALYSIS OF LEGISLATION

Section 1 designates the short title of the bill as the No Human Trafficking on Our Roads Act.
